SOFT SKILLS

Eager to learn new skills

As a person who love tech, I am constantly seeking for new ways to grow and expand my skill set.

Not afraid of failure

Strong believer in the mantra that we learn from our mistakes.

Time management

I always set aside time to plan my week and distribute the workload by days so that I can simultaneously meet deadlines and maintain my well-being.

Collaborative

Playing in my college's hockey team taught me everything there is to know about being a team player.
